PERMANENT ORDERS 239-08

27 August 2007

United States Army Corps of Engineers, South Atlantic Division

Announcement is made of the following award:

Award: Army Superior Unit Award

Period of service: 2 August 2004 to 30 September 2005

Authority: AR 600-8-22, paragraph 7-16

Reason: For exceptionally meritorious service. During the period 2 August 2004 to 30 September 2005, United States Army Corps of Engineers, South Atlantic Division displayed outstanding meritorious service in support of the United States hurricane relief efforts. The unit supported disaster relief efforts after four hurricanes struck the unit's area of responsibility in a six week period. The unit successfully delivered 163 million pounds of ice, over 31 million liters of water, and 585 generators to support emergency response requirements in the affected areas. Additionally, the division successfully completed an extended temporary roofing and housing mission which repaired more than 115,000 homes. The unit accomplished all these tasks while executing its civil works and military design and construction mission in the region. United States Army Corps of Engineers, South Atlantic Division's performance of duty is in keeping with the finest traditions of military service and reflects great credit upon the unit, the United States Army Corps of Engineers, and the United States Army.
